Transfer Credits from Study.com
Effective from September 3, 2020 to December 31, 2025

DeVry University has developed this Transfer Guide to assist students transferring from Study.com to DeVry. This guide doesn't represent all courses required for DeVry programs; rather, it provides a list of courses that, when completed at Study.com, may transfer to DeVry. For a complete list of course requirements in each DeVry program, please see the Academic Catalog.

This guide is based on a review of Study.com courses by DeVry as of 9/3/20 and is subject to review and modification at any time and without prior notice. Limitations and restrictions may apply.

This guide is for the following bachelor's degree programs: Business Administration and Technical Management.

Process
Applicants seeking to transfer credit must:
1. Request a formal credit evaluation prior to beginning the first class at DeVry University; and
2. Provide to DeVry an official transcript from the institution where the credit was earned.

Please contact a DeVry University admissions representative to request a transfer credit evaluation. Prior learning credit is considered on an individual basis and awarded upon receipt of an official transcript only.

Limitations and Restrictions
Admission and prior learning credit applicability are subject but not limited to DeVry University's admission requirements, program requirements and academic policies, including – but not limited to – the prior learning credit policy. Additional state-specific requirements for prior learning credit acceptance may apply.

Notes:
- A grade of C (70%) or higher or the applicable credit recommendation from ACE, NCCRS or the equivalent is required for all prior learning credits to DeVry University. Courses accepted may not be applicable to the academic program chosen by the student.
- The number of credits granted for any course equivalency may not exceed the number on the transcript associated with the transfer course. Credit hours are noted in parentheses after the course title. Study.com courses are 3 credit hours unless otherwise noted.
- Curriculum changes at either institution may affect transferability and applicability of credit. A time limit may be imposed on the ability to transfer credits for some courses, especially those in technical or evolving areas.
- Credit hours for DeVry courses are noted in parentheses after the course title. Study.com courses are 3 credit hours each unless otherwise noted. Students must meet the minimum number of credit hours required in the program to graduate. If the student does not have the minimum number of credits because of prior learning credit discrepancies, additional prior learning credit electives can be applied or electives can be taken at DeVry.
- Students must meet the residency requirement, which is 25% of the program's credit hours. In addition, there is a limit of 80 semester-credit hours of lower-division credit (i.e., 100- and 200- level courses) in BSBA and a minimum requirement of 42 upper-division credit hours (i.e., 300- and 400-level courses) in BSTM. Therefore, all credit earned via Study.com may not be applicable. Additional restrictions may apply.

Provisions of this transfer guide do not constitute a contract, expressed or implied, between any applicant or student and DeVry University. The information contained herein is neither an award, nor a commitment to award, credit at DeVry University.

Technical Management Bachelor's Degree Program

DeVry University Courses		Study.com Courses
Technical Specialty		
General Technical Option		Up to 27 credit hours of qualifying prior college coursework not meeting other program requirements may be applied toward the technical specialty hours.
The general technical option is designed for students who wish to apply prior coursework to a particular career area. DeVry coursework, qualifying coursework from a prior college experience, or a combination of DeVry and qualifying prior coursework may apply. The following disciplines can apply to the General Technical Option with a minimum of 23 credit hours in a particular career area. The remaining four credit hours are taken at DeVry. The following are examples of course distribution into the GTO. Other courses not listed may apply to the GTO.		
Business Administration Specialty The following business administration specialties are designed for students who wish to focus on a particular career area in a business or management field.		
Accounting		
• ACCT303	Intermediate Accounting I (3)	Accounting 201: Intermediate Accounting I
• ACCT306	Intermediate Accounting II (3)	Accounting 202: Intermediate Accounting II
• ACCT406	Advanced Accounting (3)	Accounting 302: Advanced Accounting
Business Intelligence and Analytics Management		
• GSCM206	Managing Operations Across the Supply Chain (4)	Business 312: Advanced Operations Management
Finance		
• ACCT304	Intermediate Accounting I (4)	Accounting 201: Intermediate Accounting I
Global Supply Chain Management		
• GSCM206	Managing Operations Across the Supply Chain (4)	Business 312: Advanced Operations Management
• GSCM434	Supply Chain Logistics, Distribution and Warehousing (4)	Business 315: Logistics & Supply Chain Management
Health Services Management		
• HSM310	Introduction to Health Services Management (4)	Health 303: Healthcare Organization & Management
• HSM330	Health Services Information Systems (4)	Health 309: Healthcare Informatics
• HSM340	Health Services Finance (4)	Health 305: Healthcare Finance & Budgeting
• HSM410	Healthcare Policy (4)	Health 302: Health Services Policy
Hospitality Management		
• HOSP310	Introduction to Hospitality Management (4)	Hospitality 101: Introduction to Hospitality
• HOSP320	Foundations of Hotel Management (4)	Hospitality 304: Hotel & Lodging Management & Operations
• HOSP420	Food Safety and Sanitation (4)	Hospitality 309: Food & Beverage Service & Operation
• HOSP450	Tourism Management (4)	Hospitality 105: Introduction to the Tourism & Travel Industry
Human Resource Management		
• HRM320	Employment Law (4)	Business 314: Employment Law
